

# COMBATING THE DARK AND WICKED WORLD OF CRIMES AGAINST CHILDREN:

A MEMORIAL PRESENTATION HONORING FALLEN  
FBI AGENTS ALFIN AND SCHWARTZENBERGER

Co-Hosted by InfraGard San Francisco and InfraGard San Diego

**April 7, 2021**  
**10 a.m. – 12 p.m. PST**

**OVERVIEW:** On February 2, 2021, two members of the FBI family tragically lost their lives in service to the most noble pursuit - protecting America's children. Special Agents Daniel Alfin and Laura Schwartzenberger were shot and killed in the line of duty while executing a search warrant in Sunrise, Florida. It was a devastating day for the FBI, InfraGard, and the nation these dedicated agents worked tirelessly to defend. InfraGard San Francisco and InfraGard San Diego invite you to join our special memorial presentation on crimes against children, which honors the life's work of Special Agents Alfin and Schwartzenberger and their heroic efforts to protect America's most vulnerable population.

Every year, thousands of children become victims of crimes - whether it's through abductions, contact offenses, sexual exploitation, trafficking, or online predation. Our program will feature a series of lightning talks from FBI speakers and other experts on the front lines of combating crimes against children, along with the compelling real-life story of a child trafficking victim. As InfraGard members, parents, grandparents, mentors and more, we will gain a deeper understanding of crimes against children, and learn how we can do our part to protect those who need it most.

Speakers will include:

- Special Agent in Charge George Piro, FBI Miami Field Office
- Unit Chief Jordan Hadfield, Child Exploitation Unit, FBI Headquarters
- Supervisory Special Agent Leslie Adamczyk, Child Abduction Rapid Deployment Unit, FBI Headquarters
- Supervisory Special Agent Matthew Fowler, Crimes Against Children Unit, Behavioral Analysis Unit, FBI Quantico
